# WHAT AM I LEARNING WHILE BUILDING BLOCKS?

Hand – Eye Coordination
Place one block carefully on top of another block

Problem Solving
Can we try to build it again in a different way?

Numeracy Skills
Patterns, symmetry, counting, etc,

Gravity

Spatial Awareness
Placing blocks on top of or next to one another

Cause & Effect
What happens when the blocks are stacked really high?

Group Work
Cooperation, sharing, and taking turns

Fine Motor Skills
Picking up blocks and placing them on top of another

Early ON
Child and Family Centre
